

OFFICIAL COMMUNICATION
Cross-Country Call-Up Area

To try to reduce the congestion in the XCO call up box area, access will be controlled & only team staff with either a feed zone pass or a new call-up zone pass will be able to access.

The new pass will be issued, 1 per rider, & will simply clip on your accreditation & can be shared between staff if different people are going to different race starts.

The new passes will be available for collection in the UCI office between 10am-13:00pm, 14:00pm-17:00pm.
